

'Country Garden' is a community project designed by Halton Borough Council to assist local people to use and develop their catering skills and to live more independent lives.

The Refectory Café offers healthy eating at reasonable prices which will appeal to all our visitors. Food is locally sourced, and produce grown at our Walled Garden will be used in meals, allowing us to offer seasonal menus and themed dishes on event days throughout the year. We also offer menus for group bookings and corporate hospitality.

'Country Garden' and the Norton Priory Museum Trust look forward to welcoming you soon.
